

Hose Reel

Fully Assembled and Ready to Use

- Fixed mount or 360° pivot versions
- Up to 5000 PSI and 325°F
- Multiple Mounting Options
- Heavy-duty Steel

Fully-assembled and ready to use! Our hose reels were designed for ease of use and durability in commercial pressure washer applications. Offering 100' and 200' reels in both a fixed base and 360-degree rotating base. The oversized reel holds the advertised length plus leaves additional space reducing the difficulty of reeling hose. The unique extended swivel improves the hose connection and reduces hose wear and stress.

- Up to 5000 PSI and 325°F
- 100' and 200' fixed base
- 100' and 200' 360° rotating base
- High-pressure, double-seal swivels
- Reels equipped for 3/8" hose; easily convertible to 1/2" hose with the change to a 1/2" swivel
- "Flip Over" hose guide allows use from either side
- 2-year warranty
- Extended swivel limits bends and stress on the hose
- Robust design for harsh conditions of industrial pressure washer applications
- Heavy-duty steel fabrication with protective gloss black polyester powder coating
- Reel locking mechanism to prevent hose unraveling
- Large durable handle for easy reeling in of hose
